49 NORTH GROUP ANNOUNCES LAUNCH OF NEW FLOW-THROUGH OFFERING AND PROPOSED ROLL-OVER TRANSACTION

SASKATOON, SASKATCHEWAN - (Marketwire – November 6, 2009) 49 North 2009 Resource Flow-Through Limited Partnership (the “2009 Fund”) is pleased to announce that it has entered into an agency agreement and has filed its final prospectus with the securities regulatory authorities in each of the provinces and territories of Canada, with the exception of Quebec, in connection with the initial public offering of up to 1,000,000 limited partnership units of the 2009 Fund at a price of \$10 per unit, for gross proceeds of up to \$10,000,000. The initial closing is scheduled for mid-November.

The offering is being made through a syndicate of agents led by MGI Securities Inc. and co-led by Canaccord Capital Corporation. Other members of the syndicate include Blackmont Capital Inc., GMP Securities L.P., Raymond James Ltd., Research Capital Corporation, Wellington West Capital Inc., Integral Wealth Securities Limited, M Partners Inc., Union Securities Ltd., Bolder Investment Partners, Ltd., Industrial Alliance Securities Inc. and Leede Financial Markets Inc.

The 2009 Fund intends to invest the proceeds of the offering in a portfolio of flow-through shares and other securities of junior and intermediate resource issuers engaged in mineral or oil and gas exploration in Canada, with a view to achieving capital appreciation for limited partners. Subject to certain limitations as more particularly described in the 2009 Fund’s final prospectus dated November 5, 2009 (a copy of which is available on SEDAR at www.sedar.com), limited partners with sufficient income will be entitled to claim deductions for qualifying Canadian exploration expenses and deemed Canadian exploration expenses renounced to the 2009 Fund and may be entitled to certain investment tax credits deductible from tax payable.

The 2009 Fund is also pleased to announce jointly with 49 North Resources Inc. (“49 North”) (TSX Venture: FNR) that the two parties have today entered an agreement (the “Transfer Agreement”), pursuant to which, on or about February 1, 2010, the 2009 Fund will transfer its assets to 49 North, on a tax deferred basis, in exchange for common shares of 49 North (the “Listed Shares”), and, within 60 days thereafter, the Listed Shares will be distributed to the limited partners of the 2009 Fund, pro rata, on a tax deferred basis upon the dissolution of the 2009 Fund (the “Proposed Roll-over Transaction”). The completion of the Proposed Roll-over Transaction is subject to the receipt of all approvals that may be necessary and the other conditions set forth in the Transfer Agreement.

The 2009 Fund is the sixth 49 North flow-through fund. An investment in the 2009 Fund serves as a window for investing in the Listed Shares in a manner that permits investors to take advantage of risk reducing tax incentives associated with investments in flow-through funds. By

acquiring the stock exchange listed shares of 49 North in the Proposed Roll-over Transaction, investors who choose to do so may obtain additional tax benefits by contributing the Listed Shares received to a self directed RRSP.

49 North Resources Inc. is a resource investment, financial and managerial advisory and merchant banking company that invests in the Canadian resource sector, with an emphasis on junior and intermediate mineral exploration companies with activities in Saskatchewan. Additional information about the company is available at www.sedar.com.
